FINDING OF NO HISTORIC PROPERTIES AFFECTED

Review Code: 1996.08.26.06

Agency: Federal Highway Administration
J. Allen Frear Federal Building
300 South New Street
Dover, DE 19904-6726

ATTN: Mr. Robert Kleinburd, Division Program Manager

Project: Kenton Road at Walker and College Roads, Dover, DE; Wetland
Mitigation at Glenville in New Castle Co.

The staff of the State Historic Preservation Office of the Division of Historical & Cultural Affairs has reviewed the materials submitted regarding the above cited project. Based on this review, we concur with your determination that no historic properties, eligible for or listed in the National Register of Historic Places, will be affected by this proposed project.

Additional Comments: Archaeological survey conducted in the 6-acre wetland mitigation area, and in the 2-acre expanded area resulted in no sites being identified. Project staging and disposal of project-related materials should be confined to the larger Glenville project development area. If any off-site areas are to be used, please provide this office with information for review, as per standard procedures.
